FINANCIAL AID APPLICATION

D. Application to other schools

Please list alternative schools for which you are applying (if any).

School name	Country, City

E. Additional steps required

Students who wish to apply for scholarships must write a personal essay in support of their application. The essay should describe a student's long-term plans and should describe the value that this program might have for the student's future plans.

F. Signature

By our signatures, the undersigned (referred to in this document as "student", "parent" and collectively as "we") hereby acknowledge and agree to be bound by the following representations and statements:

Completeness of information:

- All information in this application is complete and accurate as of the date of this certification and that we will notify the School promptly, in writing, of any changes in our financial circumstances and provide any other requested information or documentation. We understand that these changes may result in revisions to the student's aid package.
- We understand that the School may withhold or cancel financial aid if we do not provide any requested information.
- We understand that the School may verify the accuracy of any information we provide.

Consequences of Providing Inaccurate/Incomplete Information

- We understand that if the information we provide is incomplete, inaccurate, misleading, or false, the student may be subject to financial aid award delays, or revocation; suspension; expulsion; or other School action, and further that we may be subject to legal consequences
- We understand that if admission to the School is rescinded or cancelled as a result of incomplete, inaccurate, misleading, or false information in an application for admission or supporting documents we submit, financial aid awards already granted are subject to revocation and we will be required to repay the School for all financial aid previously given.

Ink signatures are required from ALL applicable parties
